# TANNERS WOOD JMI SCHOOL - HOME SCHOOL AGREEMENT

The staff and governors of Tanners Wood JMI welcome you and your child to the school and we expect you to enter into an agreement and partnership in the best interests of the child. Parents and children should sign one copy of this document.

Parents will need to consider whether the child is old and mature enough to understand "their responsibilities" before signing.

## The Child's commitment:

- I will try hard and show pride in all my work, including my home learning, which should be given to the teacher on time.
- I will try to attend regularly and arrive punctually and will wear the correct school uniform.
- I will behave well, follow the school rules and care for my classmates.
- I will respect other people and their property, and take good care of my own possessions.
- I will respect and keep tidy the school building and grounds.
- I will go to bed at sensible times during the school week.
- I will tell my teacher if anything is worrying me.

## The Parent/Guardian's commitment:

- My child will attend regularly and arrive punctually.
- I will notify the school of my child's absence before 9.15am on the first day of absence by a written note, by telephone, e-mail or by calling in at the school office.
- My child will arrive equipped for school, wearing a school uniform, with personal items clearly labelled.
- I will inform the school about any factors, including medical information, which might affect my child's work, welfare or behaviour.
- Whilst on school premises or in the vicinity of the school, both before and after the school day, I will take care to use language and behaviour that does not cause offence to others.
- I will support the school approach to on-line safety and not deliberately upload or add any text, image, sound or videos that could upset or offend any member of the school community or bring the school name into disrepute
- Any use I make of social media (e.g. for the sending of photographs of children at the school) will respect the policy on e-safety as seen on the school web-site
- I will support the School's Behaviour Policy and will be willing to discuss any concerns about my child's behaviour which may arise.
- I will attend parents' meetings, and bring any concerns I may have promptly to the school's attention concerning my child's progress, health and happiness.
- I will support the school home learning policy.
- I will hear my child read for an appropriate length of time each weekday evening and encourage my child to take pleasure in books and reading. (More age-related advice may be sent home as appropriate.)
- My child will go to bed at sensible times during the school week. Medical advice suggests at least 10 hours for primary aged children.
- I will ensure the school has up to date contact information including emergency telephone numbers.

## The School's commitment:

We will.....

- Provide a secure, caring and stimulating environment to allow your child the maximum opportunity to work, learn and play happily.
- Provide a challenging teaching and learning programme which delivers the curriculum in ways appropriate to a young child's learning and will enable them to achieve their full potential.
- Offer parents regular information about their child's progress, knowledge, skills and attitudes by meeting with teachers on a regular basis.
- Give early warning of any concerns about learning, behaviour or relationships.
- Provide regular home learning for your child.
- Provide clear information on the school website about the school's organisation, key stage results, curriculum and school rules. This is updated periodically.
- Respond promptly and appropriately to any concerns or complaints. This will be in accordance with the school's complaints procedures.
- Set clear expectations about behaviour in the school's Behaviour Policy which you will be given when your child joins the school. Appropriate action will be taken in cases of pupil misconduct.
- Contact parents at the earliest opportunity if a child's absence is unexplained or unaccounted for. If the school receives no notification of a child's absence by 9.30am, they will make every effort to contact the parents by telephone. If the school cannot make contact, the child may be at risk and we may need to investigate further.
