Holidays in Term Time

In line with Government and County advice, holidays in term time will not be authorised unless there is an exceptional circumstance. Time out of school will have a significant impact on a child's learning where they miss an aspect of maths, sounds/phonics or writing and then they may have a gap preventing them from making progress.

Please support your child and the school by not taking any leave during term time.

Safeguarding

A reminder please to parents that you must not walk through the dining room before and after school as the 'Time Out' Club is located there. This is essential to ensure the safety of all the children at the club. Your co-operation is appreciated.

E-Safety – Internet Searching

There are specialist search engines specifically for children which are designed to remove advertising and inappropriate search results. These don't collect personal information. Some of these search engines simply plug-in to Google's 'safe search' mode and some work independently of Google. It might be useful to have a look at some of the following sites.
