Oak			97.0
Pine			96.3
Rowan			99.3
Spruce		95.5	
Willow			100.0

Well done to Rowan and Willow with super attendance.

## **Can you offer any support to our school?**

We are asking all parents if they can help the school in the following ways:

Do you work for a company that supports community projects? Can you tell us about any grants or services that may be of use to the school? Does your company have community based days where they work on a project? Can you offer your skills as a painter, carpenter, builder, plumber or any other useful resource that might help the school to save on funds? Please let us know by emailing or contacting the school office. We will contact you if we need some help. Your support will be greatly appreciated and means that we can spend any saved money on school resources.

## **Computing Week**

This half term we have organised a Computing and eSafety Focus Week, commencing 6<sup>th</sup> March 2017.

Throughout the week, the children will participate in a range of activities linked to Computing. They will have the opportunity to experiment and learn about new technologies on the Ideas Bus that will be visiting our school including programming Lego robots, making movies and meeting visitors from the computing industry, along with exciting coding activities within our ICT suite.

We are also looking for volunteers from the IT industry who would like to come into school to share their knowledge and skills linked to our Focus Week.

If you feel that you could contribute, please contact the office or speak to either Mrs Johnson or Miss Hollis (Computing subject leaders).

## **Give Blood**

Next session is Monday 6<sup>th</sup> March  
12:45 to 15:30 & 17:00 to 19:30  
Manor House Sports & Social Centre  
Gallows Hill Lane  
Abbots Langley  
Herts  
WD5 ODD
