Oak	94.2		
Pine			98.1
Rowan			97.2
Spruce	94.3		
Willow			98.9

Well done to Holly with 100% attendance last week.

Computing Week

This half term we have organised a Computing and e-Safety Focus Week, commencing 6th March 2017.

Throughout the week, the children will participate in a range of activities linked to Computing. They will have the opportunity to experiment and learn about new technologies on the Ideas Bus that will be visiting our school, including programming Lego robots, making movies and meeting visitors from the computing industry, along with exciting coding activities within our ICT suite. We are also looking for volunteers from the IT industry who would like to come into school to share their knowledge and skills linked to our Focus Week.

If you feel that you could contribute, please contact the office or speak to either Mrs Johnson or Miss Hollis (Computing subject leaders).
