Toys

Many children have been bringing in finger spinner toys. Please note that children are not allowed to bring in any toys as they can get lost and are potentially dangerous (some of these spinners are made of metal and are quite heavy). Please note there are a very small number of children who may have fiddle objects as part of their individual support plans. This will have been agreed with class teachers or Mrs Leonard.

Scooters

This is another reminder that scooters must NOT be ridden on the school premises. Thank you.

Internet Safety

A flyer is attached regarding a presentation in Potters Bar in June. This event is open to parents/carers & their children on the real dangers of the internet.

FOTW Smartie Challenge

The class which has raised the most money will be announced next week so all tubes must be returned by the end of the day please.

Children's Centre Summer Programme of Activities
