The winner of the Attendance Cup this week is **Spruce class!**

### Environment Award

The winner this week has been Larch class, well done.

### Touch Typing Club

After half term the touch typing club will be moving to a Tuesday and will take place in the ICT suite. Letters will be going out next week and places will be allocated on a first come first served basis.

### Beech Class Assembly

Beech class shared a fabulous assembly this week and stunned us with their amazing confidence and knowledge. They have certainly been enjoying their learning. Thank you Beech class and all the parents who came to watch too!

### Medicines

This is a reminder that if your child develops a medical condition that requires medication in school such as asthma, you must come to the office to fill out the relevant paperwork – thank you.

### Carnival Float

The organising committee would like to invite children from all years to dress up and join in with the Parade and support the Tanners Wood float entry. A representative from the Carnival team will be in the Key stage 1 playground at morning drop off and school pick up every day next week with a sign-up sheet and a list of Roald Dahl characters available. Please note that your child will remain your responsibility for the duration of the parade and so we recommend that an adult accompanies him/her along the route. Children will need to meet on School Mead no later than 11am.

### Friends of Tanners Wood

The current chairperson is standing down in July and a new one is needed from September. This role can be shared. The FOTW cannot run without one and will have to disband if no-one comes forward – this would be a huge and sad loss to the school. Please contact [fotw@tannerswood.herts.sch.uk](mailto:fotw@tannerswood.herts.sch.uk) if you are interested in this position or would like more information.
