Writing Targets

Since the start of this half term each child in Years 1-6 will have targets for writing displayed on a card in their English book. The aim is for each child to be aware of their targets so that they can reflect on their writing more independently. The children will be encouraged to reflect after every piece of writing and tick the target which they think they have achieved. The teacher will then check and once evidence has been seen on approximately three occasions will set a new target. Please discuss targets with your child and encourage them to consider them when writing at home, either for home learning or for fun. Many thanks for your continued support.

School Trips Review

We have several school trips planned for the coming weeks until the end of term. With recent events and attacks in the news we continue to review our trip policies and procedures to ensure the safety of the children and staff. We plan to go ahead with planned trips and will continue to ensure a robust level of safeguarding and risk assessments are considered and applied.

Renewal of Free School Meals

This summer, Herts County Council will automatically renew free school meals for children who currently receive them. They will only send out letters to families whose children are no longer entitled to them. Please contact:
howcanwehelp@hertfordshire.gov.uk if you have any queries.

Environment Award

The winner this week has been Rowan class, well done.

Year 6

Year 6 were fortunate to have two days of visitors this week. On Wednesday, Garston Fire Brigade visited the school to teach the year 6s how to perform CPR (cardiopulmonary resuscitation) as part of their learning of the human circulatory system in Science. The children were also fortunate enough to look inside the fire engine. On Thursday, Leah Waters, a Year 2 parent, visited year 6 as part of their mini-enterprise project. Leah works in the charitable sector and shared her knowledge of charities with the children who are about to embark upon their own charity projects to raise money for the FOTW. The children are currently creating their own businesses and ideas for products or activities for the school fair.
