Transition

Next week all children will find out who their next teacher will be. Please look out for the letter outlining this information on 28th June 2017.

Reminder – Sun Hats and Sun Cream

Please ensure your child brings in their sun hat and that they have applied sun cream in this hot weather.

Elm Class Assembly

We had a delightful class assembly planned and presented by Elm class yesterday. They spoke enthusiastically about their learning. We loved hearing about their learning - especially about how they made their fruit kebabs.

Running Club – 27th June

There will be no running club on the 27th June. This is because Mrs Coe has to take a group of children to a PE event after school.

Online Dinner Payments

This is a reminder that ParentMail will **NOT** show your account balance - the figure you will see on the screen is simply the total amount you have paid to date. The transactions you pay online are transferred on to our own database which will calculate your balance at any given time. If you ever need to know what this is, please email admin2@tannerswood.herts.sch.uk, call us or pop into the office.

Year 6 Mini-Enterprise

The Year 6 children have been busy creating their own businesses this week and presenting their business plans for their summer fayre stalls to the FOTW. We were pleased to learn that the children were successful in being granted a 'loan' from the FOTW, to help them set up their enterprises. Any monies that are raised will go to the school and a portion has been allocated for a Year 6 treat.

Request for Books

One of the groups would like to sell second hand books. If you have any books in good condition which you would like to donate to their stall, please send them into the office or to Willow class before 9th July.

Fundraising for Grenfell

On Monday in assembly I spoke to the children briefly about the events of Grenfell Tower and how kind and compassionate the public have been in coming forward to help. I talked to the children about whether they would like to consider making a small donation. I was proud of how the children responded and many of them wanted to do something to help. If your child would like to bring a small donation of 50p - £1 then we will send this money on.

If you wish to contribute, please send any donation in an envelope marked Grenfell by Friday 30th June. Many thanks for your support.

Henderson Hub

The HUB is an exciting community led arts project based in the heart of Abbots Langley. Based in the Henderson Memorial Hall, the Henderson Hub is being developed to act as a focal point for the residents (both young and old) where they can experience a range of visual, literary and performing arts and arts related activities. The project is starting to take shape and locals will now see major developments during the next few months. It will benefit from a refurbished, accessible space with a community arts centre, permanent exhibition area and coffee lounge. The Hub is a charity and not a profit led organisation.

Attached is a flyer giving further details of their first children's theatre visiting this Summer.

Exciting news at the Henderson Hub is that we have our first children's theatre visiting
