Parking Next Week

In preparation for the laying of the new footpath in front of the office over the summer we are having tree surgeons in to prepare the site. It is therefore imperative that no-one parks on site and that extreme care is taken when visiting the office.

E- Safety

Do you talk to your child openly and regularly about ways they can keep safe online? Why not use the NSPCC parent resources to help you start a conversation?

Take a look at the O2 and NSPCC 'A parents' guide to being Share Aware'.

And finally...Need help setting parental controls? Take a look at the guidance from the NSPCC on how parental controls can be used to block upsetting or harmful content, to control in-app purchases or to manage how long your child spends online.
