

PE at Tanners Wood

March 2017

Since September, we have encouraged the children to take part in a marathon. Many of the children have been excited about it, particularly Y5 and Y6. In KS2 during the winter months, they have put on their trainers and run carefully on the soggy grass! In KS1 during the winter months, we have stopped running as it is too wet and muddy for the younger children. However, in the Summer Term, we will have many opportunities to run every day.

Well done to the following children who have reached 10k:

Y6: Fatima, Maddie, Cassie, Jake, Tanaya, Inna, Joy, Kaitlyn, Sahar, Hazel, Yasmin, Alex, Charlie, Lucan, Katie, Lyla, Abi and Georgia.

Y5: Tia, Miriam, Papa, Oliver, Ned, Ruby, Amy, Harry I, Raees, Dean, Maisey, Connor, Aryan, Charlie, Kane, Hollie, Aashoi, Mia, Kean, Chloe, Alexandra and Riley.

Mrs Coe challenges you to complete another.....!

After speaking to many children about PE this week, many have said how they can run around the field more easily now than they could at the beginning of the year as they have built up their stamina for running. This is partly thanks to the marathon, let's see how many more children can complete one! Come on Tanners Wood!

CLUBS

As you are aware we run many clubs and many of them have seen an increase in numbers attending, which is fabulous. Both the netball and running clubs have doubled in size! It is great to see so many active children enjoying the clubs we have on offer.

Please remember that for the running club the children must have their own kit and **not use their school PE kit** as sometimes this does not get returned before their next PE lesson. If they don't have their PE kit in school they are unable to participate in lessons.

TRI-GOLF County Finals

As you will have read in the last newsletter, the County Finals were due to be played this term. They will now be played in the Summer Term and I very much look forward to reporting back on this! Good luck!

KS2 HOUSE EVENT

Football

Last term, KS2 limbered up to take part in a football competition which the children were very excited about. Every child played 3 matches in the designated pitches on the field in the Y3/4 event and Y5/6 event. Many of the matches were tightly contested and had spectators, KS2 staff members, cheering frantically from the sidelines. We were extremely proud of every child as they all played with great sportsmanship and showed fantastic team work skills. The older year groups supported the younger year groups in each game by giving advice and helping them with tactics. Well done all! There were only a few points separating each House but the overall winner throughout KS2 was **Blake house!** The certificate is now taking pride of place on our Sports Board outside the staffroom.

Y3 Intra-Sport Competition

On 8th February, Larch and Juniper Class were lucky enough to have a visit from the Sports Partnership. The children really enjoyed the opportunity to learn new skills. The ball skills that they have been practising this year were put into context with a basketball style game. The children loved playing against each other and with the competition between the two classes, it made it even more exciting!

I hope you have enjoyed this sports update. Look out for my next newsletter at the beginning of the Summer term. In the meantime, look out for sports news on our school blog as the events happen!

Have a good break!
