

Tanners Wood School

Sports Premium Grant Proposed Spending 2016-17

At Tanners Wood School we recognise that Physical Education (PE) is a crucial part of a child's primary education and helps them to lead full, active and healthy lives. We aim to provide opportunities for cross-curricular work which will develop physical, personal and social skills. We recognise that PE can also promote many personal qualities such as enthusiasm, reliability and tolerance. In line with government recommendations, we provide every child with two hours of high quality time-tabled physical activity each week.

Sport Funding Allocation 2016-17

The government is providing additional funding to improve provision of physical education (PE) and sport in primary schools. This funding - provided jointly by the Departments for Education, Health and Culture, Media and Sport - will be allocated to primary school Headteachers. This funding is ring-fenced and therefore can only be spent on provision of PE and sport in schools.

Eligible schools

Funding for schools will be calculated by reference to the number of primary-aged pupils (between the ages of 5 and 11), as recorded in the annual schools census in January 2016. Schools with 17 or more primary-aged pupils (pupils aged 5 to 11 years old) recorded in the January 2016 census will receive a lump sum of £8000 and a premium of £5 per pupil. Tanners Wood School has been allocated £9570.

Purpose of funding

Schools must spend the additional funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this.
