

Tanners Wood School

Sports Premium Grant Proposed Spending 2017-18

At Tanners Wood School we recognise that Physical Education (PE) is a crucial part of a child's primary education and helps them to lead full, active and healthy lives. We aim to provide opportunities for cross-curricular work which will develop physical, personal and social skills. We recognise that PE can also promote many personal qualities such as enthusiasm, reliability and tolerance. In line with government recommendations, we provide every child with two hours of high quality time-tabled physical activity each week.

Sport Funding Allocation 2017-18

The government is providing additional funding to improve provision of physical education (PE) and sport in primary schools. This funding - provided jointly by the Departments for Education, Health and Culture, Media and Sport - will be allocated to primary school Headteachers. This funding is ring-fenced and therefore can only be spent on provision of PE and sport in schools.

Eligible schools

Funding for schools will be calculated by reference to the number of primary-aged pupils (between the ages of 5 and 11), as recorded in the annual schools census in January 2016. Schools with 17 or more primary-aged pupils (pupils aged 5 to 11 years old) recorded in the January 2016 census will receive a lump sum of £16000 and a premium of £10 per pupil. Tanners Wood School has been allocated £19380.

Purpose of funding

Schools must spend the additional funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this.

Strategy	Estimated Cost	Intended Impact
Membership of School Sports Partnership	£2300	Increased participation in High Quality Physical Education and School Sport through co-ordinated PE, school sport and out-of-school-hours learning activities that link with local community sports facilities, clubs and development programmes. The Partnership offers opportunities for young people to experience different sports, access higher quality coaching, engage in leadership and volunteering and take part in competition.
Membership of Youth Sports Trust	£300	Provide access to an extensive range of programmes and initiatives; sport and education resources; events and continuing professional development programmes.
Continuing Professional Development	£1000	Further raise the quality of PE lessons through high quality CPD for teachers leading to increased teacher knowledge and understanding.
Continuing Professional Development- Forest Schools	£850	Provide training to improve active outdoor learning.
Forest Schools	£3600	To provide outdoor active learning activities for vulnerable groups with a forest school trained member of staff.
Specialist Sports Assistant	£6400	Support PE lessons, support 1:1 provision for vulnerable pupils, support the provision of active playtimes and lunchtimes, securing nationally accredited training awards, small group support.
Provision of out of hours learning for children identified as not attending due to financial difficulties or PPG children.	£1000	Equal access for all children to out of hours activities and encourage them to have an active lifestyle. If two more siblings attend an after school club the intended impact is that the family will have an active lifestyle. Provide the children with at least a terms experience of a club.
Provision of after school and/or lunchtime clubs to encourage active, healthy	£2000	Provide the children with opportunities to play new sports that may encourage them to find a competitive club outside of school and provide

children.		them with self-confidence and belief when playing sports. Sports include: basketball, handball, volleyball, circuit training, flag football. The lunchtime opportunities will be provided by staff and sports council members. Once a week, the sports council lead a sport for other KS2 children to experience. This will encourage children to try a new sport and potentially join a club. By providing after school clubs of the sports we take part in the sports partnership, this will enhance our chances at competing at county level and at the School Games finals.
Provision of local community events for all children to encourage active lifestyles for families.	£500	Provision for Tough Ten and Kings Langley Puffaten. By subsidising the local sports events we anticipate a greater involvement from pupils and families in our school. This will encourage families to have an active lifestyle.
Increase indoor PE resources in the event of poor weather and the hall out of use.	£1000	Ensure children have the opportunity to exercise/improve fitness and co-ordination in the classroom/dining room. The demand for the hall has increased as our school has expanded from a 1 ½ form entry to 2 form entry. We will provide indoor equipment that can be used in the classroom and comply with health and safety regulations when using them. For example, fitness cards for 30 second interval training sessions in the classroom, curling in the dining room.
Update large outdoor equipment	£1000	Replacement of large outdoor equipment due to wear and tear and increased participation in sports partnership events. For example, the basketball hoops and football goals.
