## Spring 2018

The boys football team have had their matches and had the opportunity to win the League, unfortunately St. Paul's were just too strong and overpowered the team. Well done for super effort and commitment to all 12 boys - Ben C, Luca, Joe, Harry B, Oliver F, Ned, Connor, Ben C, Ryan, Dean, Arthur and Oliver W. Now, it is the girl's football team's turn!

## Y6 Indoor Athletics

24 Y6 pupils went to Francis Coombe Academy to compete in the indoor athletics competition. This involved track and field events which the pupils really enjoyed. We worked very hard and always supported each other until our voices were hoarse! We did really well and tried really hard but the boys came 4<sup>th</sup> overall and the girls came 5<sup>th</sup> overall out of 6 teams.

## Y4 Indoor Athletics

Year 4 did fantastically well at the athletics on Thursday 25<sup>th</sup> January and it was very obvious that each and every child put in maximum effort. There was a large array of events including 'track' events in which there was fantastic team work in the relay and sprint races. On the 'field' events, cup stacking, javelin, on the spot jumping and more proved to be very popular. The staff were incredibly proud of the attempts in each category and how the children celebrated each of their peers and cheered them on as they raced.

## Y5/6 Girl's Football match

On Thursday 6<sup>th</sup> February Lilly B-C, Ciara, Joy, Lily L, Jess W and Jasmine went to Abbots Langley School to play their first football match of the season in the new Girl's League. They were nervous as some of the members are new to football. They were fantastic! They listened well to their coaching and worked hard to maintain control and possession. The ball was mainly in Abbots Langley half and as a result Tanners won 9-0. Well done girls, I look forward to the next match.

Wow! The girl's did amazingly well the first half term! We are really proud of them and have tracked their success on the school blog.

The following table charts their success against the other teams in the league.

### Tag Rugby

The team trained really hard for the Tag Rugby League but unfortunately we only managed to play 2 games out of the 4 due to poor, and seasonally unusual, weather conditions. We had an amazing team and managed to win against Abbots Langley 10-7 but lost to St. Pauls 5-3.

Well done to all the team members Joe, Harry B, Ned, Harry I, Lilly B-C, Sean, Grace W, Arthur and Freya and Marli in Y4 for stepping in for the girls contingent.

### Y3 Intra sport competition

Year 3 took part in a sports afternoon where the Sports Partnership came in to develop specific skills. Both Larch and Juniper were able to spend the afternoon focusing on basketball skills. They learnt how to dribble the ball, how to successfully pass and where to score goals from. After learning these skills, they then split into four teams and were able to play against each other. Needless to say it was competitive and they all had a fantastic time!

## Y1 Intra sport competition

The children were excited to acquire new skills in a variety of different areas. They particularly enjoyed the speed stacking which was something new to the class. Some of the children managed to throw the foam javelin across the width of the hall! They also learnt about their ABC's : A - Agility, B - balance and C - co-ordination.

## KS1 Dance off!

On Tuesday 27<sup>th</sup> February, Y1 and Y2 had the chance to show off their great dancing skills in a DANCE OFF! They were all really excited and we saw 4 very different dances. Holly class danced to 'This is me!' which linked to their learning about Louis Braille, Fir class danced to 'Reach for the Stars' which linked to their PSHE learning and our new motto - Be the best you can, Elm class danced to 'Under the Sea' and Cypress class danced to 'The Bare Necessities' which both linked to their topic on animals and their habitats.

They all danced so well and it was very difficult to decide on the winner. The teachers chose Cypress class as the winner because of the variety of movements they added. The children made up their own sections in small groups which added to the overall experience.

Cypress class were then able to show the dance to the rest of the school in Talent Assembly the following week.

I hope you have enjoyed this sports update. Look out for my next newsletter at the end of Summer 1. In the meantime, look out for sports news on our school blog as the events happen!
