FOTW Summer Fete

Don't forget that this **Sunday 8th July** is the FOTW Summer Fete. The fete is open from **12-3pm** and we look to seeing you all there with your friends and families and thank you for your support.

Transition 2018-19

The children had their second transition session on Tuesday. As well as getting to know the new staff, some of the time was spent thinking about the topics which will be studied in the Autumn Term. This means that the teachers will be able to take the children's ideas into account when planning the lessons for these subjects, thereby individualising the curriculum for the needs of our children.

Open Evening

We will be having our annual Open Evening for parents and children on the **18th July from 5-6.30pm**. This is a fantastic opportunity for you to come and see some of the work your child has completed this year in their current class and also to meet your child's new teacher. There will also be a Treasure Trail for the children to join in as they visit the different classes, prizes are waiting to be won! We look forward to seeing you there!

Thank you to all the parents who came to watch the children and to all staff involved in helping the children prepare.

Maths Workshop PowerPoint

We know lots of parents found both the workshops that Mrs Craggs has run very helpful in supporting their child with their maths learning.

We have placed the recent KS1 Workshop PowerPoint on the school website. If there are any parents who were unable to attend this event they will find useful information about expectations and support for learning on there.
