

Science – Plants

Draw and label plants you can see in your garden. Can you label the parts of the plant?

Grow a seed at home and write about what happens. See if you can grow a seed from fruit or vegetables you have at home.

School Closure – Year 2

PSHE

Watch Newsround each day

Show a family member how to wash their hands correctly.

Geography – Iceland

Watch the national geographic video on Iceland (see attached for creative activity)

Design and Technology / Art

Sandwich design – see attached for activity

English (30 mins per day)

Reading

Read widely – 15 minutes a day. See attached for activities.

SPAG

Log onto www.spag.com
Your username is in your reading record. Two tests have been set.

Writing

See attached for activities.

Spelling

New spellings are in your blue spelling folders. Go over all other spellings from the term.

Maths (30 mins per day)

Times Tables Rockstars – play 10 minutes every day.

My Maths – log on and look at the year 1 and year 2 number activities.

Hit the button – number bonds, play every day.

See attached sheet for more activities including multiplication word problems.

Practise calculations where the total is under 100. (+ - x ÷)

Physical Education

Kids work outs are available on youtube for example the body coach for kids or 'go noodle'.

See attached for more ideas!

Bringing Learning to Life

Cooking

Learn to tell the time

Computing– search engines

Use these search engines to research Iceland: kiddle, swiggle, kidrex.

Make a powerpoint on Iceland or type up some facts to share.

Religious Education

Watch the Easter story on youtube from the BBC teach website.

<https://www.youtube.com/watch?v=Wnbo2AmS3OI>

Now can you retell the story to a family member?

Other

Play board games as a family.

Learn a new game with your family eg uno, scrabble, dobble or chess.

Make up number bond games with a pack of playing cards.

Music

Learn times tables with Percy Parker – 2s, 5s and 10s.
(youtube times tables with Percy Parker)
