

Science – Rocks (30 mins per week)

Research Mary Anning. **What was her importance to fossils?** Write a paragraph to explain what you have discovered.

Complete the soil and water experiment:

1. Put soil in your bottle until it is 1/3 full.
2. Put the lid on and shake the soil up.
What do you notice?
3. Take off the lid. Slowly, fill your bottle with cold water but leave some air at the top.
4. Put the lid on tightly and shake it until you have counted to 100. **What does it look like now? Do you notice anything?**
5. Put your bottle on a shelf where it will not be disturbed for a day. The next day, write a paragraph of your observations.

Religious Education – Christianity

Research how different countries celebrate Easter/Lent. Choose one to create an informative poster to explain your findings.

French – Je Peux (I can)

List of vocabulary to be learned – French and English translation.

Complete the crossword resource.

Music – Bob Marley

Please learn the song 'One Love' by Bob Marley.

School Closure – Year 3

PSHE & Citizenship – Road Safety

Watch Newsround each day.

Produce a poster showing how children can keep themselves safe whilst crossing the road.

Geography – Settlements

Produce a fact file based on the four types of settlements (hamlet, village, town, city). Pick one example of each within the UK and present interesting facts on each one.

Complete a learning walk of your local area. Complete the tally chart resource to record the physical and human geographical features that you observe.

Art – Egyptian Death Masks

Create an Ancient Egyptian death mask, like the ones that we have been studying in class. You can use any materials that you can find around the home.

English (15-30 mins per day)

SPAG.COM - Please complete 1x activity per a day. Login details are in your green diaries.

Reading comprehension-Read 20 minutes per a day. This can be either your library book or an age appropriate book from home. Please complete one of the activities outlined in the resources daily.

Extension:
Write a diary entry based on the day we discovered the alien egg on the playground. Remember to include the following:
Speech punctuation
Adverbs
Prepositions
Exaggerated language
Synonyms for said

Spelling – Please practise some of these words for 10 minutes a day.
http://www.canonburrows.co.uk/serve_file/294727

Maths (15-30 mins per day)

Complete a My Maths activity daily. Login details are in your green diaries.

Login to Timestable Rockstars and practise for 15 minutes each day.

Extension:
Complete fraction maths games on My Maths website.

Physical Education (30 mins per week)

Children to practise their dance for the dance-off competition.

Juniper - Please follow this link to support your learning:
<https://www.youtube.com/watch?v=4EX5E2YbwT4>

Larch - Please practise the routine that you have learnt with Mr Roonan.

Take a photo of you completing the dance.

Bringing Learning to Life

Next term we will be learning about Italian cooking. Practise making a pizza or pasta dish at home. Remember to take some photographs of your learning.

Play games such as scrabble, boggle, cards, ludo, puzzles. Help with gardening.

Computing – Animation

Download the iMotion app on a tablet or the Stop motion app on a phone. Create a stop motion video.

Alternatively create a flip book animation. See clip for inspiration:
