Be the Best You Can!

Message from Mrs Qureshi

Dear Parents,

We have come to the end of yet another working week of the lock down. Most importantly, I hope you all remain in good physical and mental health. Just like you, I am wondering and speculating on what the Government's update on Sunday will bring for us in terms of next steps, particularly in relation to current school closures.

Please be assured that when I receive clear guidance on next steps, I will communicate the school's response to you. I politely ask all parents to bear with us and we will be touch as soon as we can.

Tomorrow is a Bank Holiday and I encourage all children and families to take some time out to relax, enjoy the day and take advantage of the warm weather. Teachers will not be on Google Classroom tomorrow and the school will be closed, any queries will be answered next week. I have asked all staff to rest and recuperate too.

Parents - you are all doing a great job at keeping the learning going and none of us underestimate the support, guidance and energy this requires. All staff send their best wishes to parents and children.

Take care, stay safe and remain positive.

Feedback

Please continue to give us your feedback on the new systems for supporting your child's learning. This will enable us to make adjustments where needed, as well as continuing to do the things which you find helpful and supportive. You can send your feedback into the school office using the admin@tannerswood.herts.sch.uk address.

We had some lovely feedback from the message the staff sent out on Monday. The staff enjoyed coming together (virtually) to create the montage and it was clear that it brightened up a Monday morning for many in our community. Thanks go to Mrs Jenkins in Nursery for organising it.

PE Challenge

Well done everyone who took part in this week's Toe Taps Challenge. The toe taps required great concentration and hand-eye co-ordination, so great effort from everyone. Here are the results in order of entry (from Monday to Friday) and the top three results from all 11 schools who entered this week.

This week, three children from Sarratt School managed between 350-400 toe taps!

Max H from Tanners Wood managed 226. Well done everyone for taking part. Try improving your score this week; see if you can beat your previous score and improve your personal best. Then let your teacher know on Google Classroom.

Year 4 Phasels Wood

On Friday 1st May, Year 4 were supposed to have been waking up after spending the night in Phasels Wood. Unfortunately due to the current circumstances they were unable to go.

Do not despair; instead of going to Phasels, Phasels was brought to them! Miss Edwards and Mrs Radia organised Fun Phasels Friday, a day of 'lockdown fun' for all. The children were set seven challenges to complete throughout the day, including cooking, a scavenger hunt, a toilet roll challenge and building a den to name a few.

The children were thrilled when they woke up on Friday morning to see the challenges they had ahead, with many commenting on how they were going to sleep in their dens over night! Their dens were much better than Miss Edwards and Mrs Radia's by the way!

It was great to see the fun that had been had from the photos uploaded, and lovely to also see parents, siblings and pets getting involved! Well done on the challenges everyone, you did an amazing job!

We have sent out a separate document with a few pictures from the day. We hope you enjoy seeing some of the fun they had!

School Nursing Team

The School Nurse team has adapted ways to support young people during this time and would like to advise you of their current services. They are continuing one to one tier 1 work with children and young people to support their emotional health & well-being via video calls. Parents and professionals can refer via <https://www.hct.nhs.uk/our-services/school-nursing/>

Our duty School Nurse line is also available Monday to Friday 9am-5pm on 0300 123 7572 and parents and professionals can contact us on this number. They have an Instagram account for parents and families 'hct_schoolnursing' which provides up to date health information/resources. We also have a Twitter account – 'HCT_SchoolNurse'

Children and parents can also access up to date information on www.healthforkids.co.uk - this website has a section for children and parents. There is some good information about talking about coronavirus with children and how to support them.

PE challenge – Hula Ball

STAY ACTIVE WITH SSP

Hula ball

#StayHomeStayActive

EQUIPMENT : A ball

INSTRUCTIONS: How many times can you make a complete circle with the ball around you waist in 60 seconds?

- Alternating hands, pass the ball around your waist.
- Count 1 circle every time the ball comes back to the front.

TIPS:

If you're finding it tricky use a smaller ball!

Share your attempts and keep up to date on our Twitter [@TRW_SSP](https://twitter.com/TRW_SSP)
