## 1<sup>st</sup> June

Further to my letter regarding plans for partial re-opening for Years N, R,1 & 6 from 1<sup>st</sup> June, please ensure that you have read and fully understand the information, in order to make an informed decision about whether or not your child will return to school. Parents in the year groups mentioned above have already responded to a questionnaire; should your initial decision have now changed and you have not already advised us, please email [admin@tannerswood.herts.sch.uk](mailto:admin@tannerswood.herts.sch.uk) by Monday 18<sup>th</sup> May at the latest, so that appropriate planning and preparations can be made.

**We are currently planning for the challenging task to re-open the school and we will share final plans as soon as possible. We appreciate your patience.**

## Free School Meals

There may be some families whose circumstances have changed recently, who will now be entitled to Free School Meals. Successful applicants are currently receiving weekly £15 supermarket vouchers for a supermarket of their choice. If you believe that this may now apply to you, please visit the link below and apply online:

<https://www.hertfordshire.gov.uk/services/schools-and-education/at-school/free-school-meals/free-school-meals.aspx>

Should you experience any difficulty with this, please email [admin@tannerswood.herts.sch.uk](mailto:admin@tannerswood.herts.sch.uk)

## Inset Day

A reminder that Friday 22<sup>nd</sup> May is an Inset Day and school will not be open.

## Online Safety

With children likely to be spending more time online, now is a good time to remind everyone of the risks that certain websites, apps and social media can pose, so that you are aware of the steps you can take to protect your child.

The link below will take you to a safeguarding hub that allows parents to access interactive guidance on setting up parental controls on your child's

## PE Challenge

Well done to everyone who took part in the Hula Ball challenge; we entered more scores than any other school in the partnership, so thank you! It's great to see so many of you enjoying the challenges. I know that lots of you were practising to get your best score to send in last week and that you discovered that once you got into a rhythm with passing the ball from hand to hand, you could complete the rotations more quickly.

Well done, great scores from everyone! I can see that you are trying really hard. 😊

Well done to the three children at Little Green for managing to get to over or near 100; such quick hand movements.

At Tanners Wood, Tom F scored the highest number of rotations in KS2 and Lexi H in KS1. Well done Tom!

Mrs Coe

## PE challenge – Step Challenge

STAY ACTIVE WITH SSP

Step Challenge

#StayHomeStayActive

### EQUIPMENT :

- The stairs or an outdoor step

### INSTRUCTIONS:

- Using the bottom step, complete as many steps as you can in one minute. Count 1 step every time both your feet are together on the step.
- To challenge yourself try with your feet together and jumping up and down the step

### TIPS:

- Try to place your feet in the same positions
- Keep arms out to help with balance

Share your attempts and keep up to date on our Twitter [@TRW\\_SSP](https://twitter.com/TRW_SSP)

English (and computing).

As Rose appeared at the end of the tunnel, she looked up and found herself somewhere she had never been before. When she emerged she was shocked by the freezing cold, the she realised she was on top of a glacier which was almost completely covered in snow. It was like a blanket. It was completely silent. The snow crunched under her feet. She was scared and confused.

As she crunched through the snow in silence, she heard a sound. She decided to follow the sound. The louder it got, the closer she knew she was to where it was coming from. Suddenly, she saw a gigantic polar bear and it was growling at her. As it ran at her, she jumped (she had played a lot of Super Mario and knew what to do) and landed on its back. She rode the polar bear as it ran on the ice. Without warning, the polar bear stopped. The tapping sound was really loud now. She looked down and saw her brother trapped under the ice. How would she get her brother out of the ice?
