Reports

End of year reports will be issued next week. Please check the ParentMail sent last week as it contains important information about times for collection.

Transition

A ParentMail was sent yesterday regarding transition for all children in Years R-6. On 6th July, you will receive a further ParentMail to confirm staffing arrangements for September 2020.

Next Week

Next week we will welcome back more children in Years N, R, 1 and 6. We had an overwhelming request for additional places, some of which we were unable to allocate due to government guidelines. We look forward to seeing some more familiar faces next week and would like to say well done to all those children working hard at home. We are very proud of you all.

PE – National School Sports Week

This week would have been National Schools Sports Week where schools around the UK would take part in activities between classes and other schools. Unfortunately, this year we are unable to do that so the Sports Partnership and the Youth Sports Trust have created a week of fun events to take part in at home.

There are activities for every day this week! Check them out on Google Classroom. You could take part in each one every day, or choose which activities you would like to do, or do as many as you can on your PE day. Why not get your siblings and parents involved, or even the grandparents when they visit at the 2m social distance! You could even meet up with a friend on a field to complete these activities together again at a 2m social distance!

I hope you have fun completing these activities over the week. Upload your photos onto Google Classroom so I can put them on the blog and in the newsletter if you would like to. Remember, you must get permission from your adult first!

Good luck and keep active!

KS2 Pentathlon Competition

Last week's PE challenge was a little different. We had 5 events to complete. A huge well done to all the children in KS2 who took part. It was a lot to organise so I thank you for your effort and perseverance.

Sixteen children were entered into the competition to compete with other local schools. The winning team from Y3/4 and Y5/6 will go through to the County Virtual Final.

As you will see below Y3/4 Tanners Wood entrants go through to the County Final! A huge well done to them! I will let you know when I receive the results!

This is a review of Willy the Champ
I think the book is outstanding

The book is about a young chimp called Willy who loses his nose and becomes a Champ.

I really like Willy because he is hilarious.

I think ~~would~~ the book would appeal to people that like funny stories.

L.O: to publish a Haiku.

Activity 1

Please answer the following questions in your books:

- Do you like Haikus? Why/why not?
Yes I like Haikus because they are really fun to write.
- Did you enjoy writing your own Haiku? Why/why not?
Yes I did because I like nature and I enjoyed thinking of ideas for my Haikus.
- What was the hardest part of writing your own Haiku?
Probably to think of the ideas but it was also fun too.
- What is your favourite Haiku out of all the Haikus you have written or read this week? Why?
The one about birds in Spring because it let me think the most about nature.

L.O: To use adverbs to describe.

The Ice King

Splish! Splash! Summer!
Splish! Splash! Summer!
Whoosh! The river flowed,
Squak! The raven crowed.
The power summer holds,
Before the winter king stalks.
The beauty of the summer,
The Ice King's a bummer.

Wish! Woosh! Winter!
Wish! Woosh! Winter!
Trickle! The snow pelted,
Loudly! The penguin called.
The brilliance of cold,
How summer does fold.
The Ice King clapped,
Summer was trapped!

Revenge would be his,
Summer would vanish.
From warm to cold,
Light to dark,
Breeze to blizzard,
And happy to sad.
Nothing could stop him,
Summer was banned.
