Be the Best You Can!

Term Dates 2019 – 2020

Inset day: 20 July 2020
Occasional day: 21 July 2020
Summer holiday: 22 July - 2 September 2020

Reports

You should have received your child's report this week. We have been delighted to receive lots of positive feedback from parents so far. If you have not done so already, please complete the feedback form via the ParentMail sent from school on Monday this week.

If you have not collected your child's school report, please ring the intercom at the school office giving your child's name and class, and it will be brought out to you.

Transition Videos

The teachers have been busy creating two videos to share with their old and new classes next week. The videos will be uploaded to Google Classroom and released on Wednesday morning.

We know the children will enjoy watching these as much as the staff have enjoyed making them. It is really important that every child gets the chance to see the videos and learn about the PSHE task their new teacher has set for them to complete.

Staffing 2020-21

Parents will be informed about staffing for September on Monday 6th July via ParentMail. Please can we ask you to talk to your child about their new teacher and teaching assistant for September on Monday or Tuesday, so that they are prepared for the videos later in the week.

PE – Home Sports Day

No Sports Day? We couldn't go without having a sports day of some description! Tanners Wood will have a 'Home Sports Day' this year on Wednesday 15th July.

You will receive a Youth Sports Trust PowerPoint with fun activities to complete at home. This will be with minimal equipment and you can compete within your family or against another family! It's up to you.

If you are in the Key Worker groups, you will have activities that you can complete in your bubbles. How many points can your team score? There is a record sheet to record all your scores and you can bring it in September to show your new teacher, Mr Roonan and myself.

I hope you enjoy the activities and most importantly, have fun!

Covid Snake

We thought you might like to see this photo of the Covid Snake, inspired by Freya & Daisy from Tanners Wood. They got to lay the stones to the tail of the snake. There is an article in the Watford Observer too.
