W/B 7th June 2021	Cancelled - Year 4 Multiplication Tables Check

Dates for the 2021-22 academic year are available on the school website.

Communication

A reminder that all school communication is sent via ParentMail. If you have disabled email notifications at any point, please ensure that these are turned back on. This is especially important at the moment, as any school updates will be communicated this way.

Absence

If your child is due to attend school, please ensure that you leave a message on the absence line before 9am giving a **specific** reason for absence. Thank you.

Nursery Live Lesson

It was a pleasure to join in with Nursery's live Google lesson on Thursday. It was wonderful to see children using the weekend's snowfall to create a variety of beautiful snowflakes. Well done!

Teacher Video Recordings

We have noticed that there are a number of children who are not watching the 2 x daily teacher recordings. Please ensure that children watch both videos each day as teachers give important information relating to the daily tasks involved.

Chromebooks

If your child is struggling to access a device to complete their learning at home, please contact the school office as we have a few Chromebooks still available for loan to parents.

Childhood Winter Illnesses

Now we are in winter many children may be experiencing common illnesses like coughs and colds. We know that some parents and carers aren't always sure what to do when their child is unwell.

A new leaflet has been published to help them spot common winter illnesses and how they can treat their child at home:

<https://hertsvalleysccg.nhs.uk/your-health-and-services/childrens-health/childrens-winter-illness>

It is also important they know where to go for medical advice when they need it and what to do in an emergency. We understand this can be a little confusing during the Coronavirus pandemic. We'd like to reassure parents that the NHS is still providing safe care when they need it.

As well as providing clarity on where to go for medical advice, there is a host of information in the leaflet from how to treat colds and earache at home, to how to spot serious conditions such as meningitis and sepsis. There is also information on Coronavirus.

Snowflake by Frank C - Apple

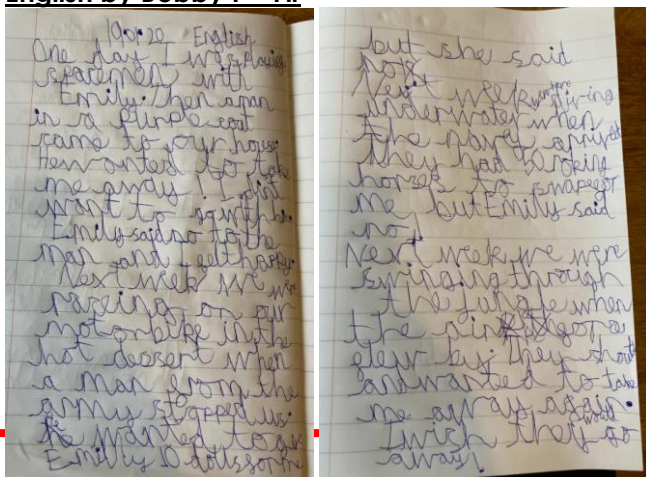

A Dinosaur's Dream by Indie S - Ash

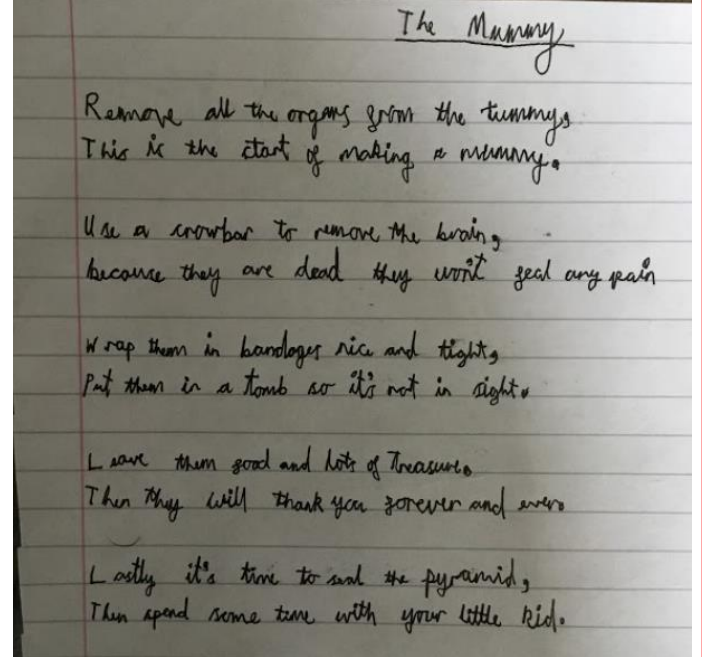

Comparing Weight - Ruby G - Cypress

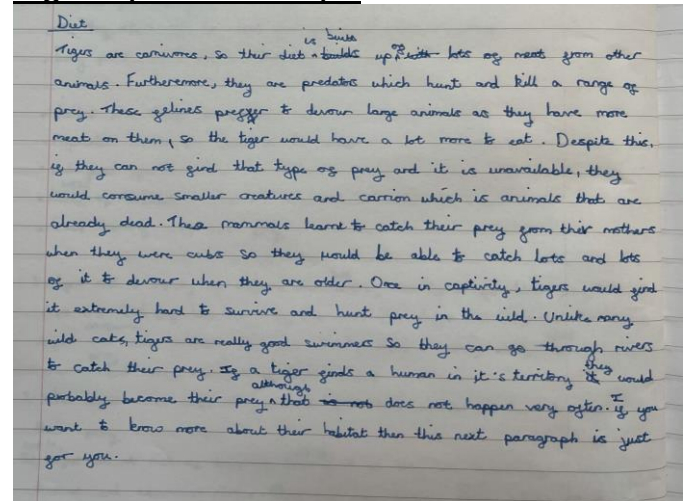

English by Bobby P - Fir

Ancient Egyptian Poem - Rockwell W - Juniper

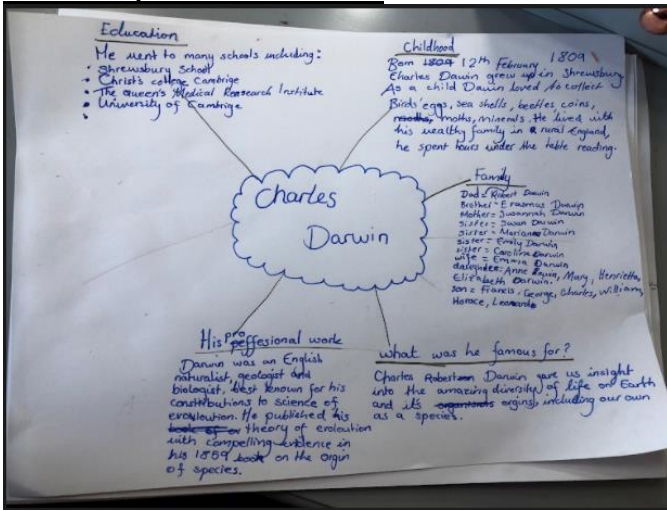

English by Emma S - Maple

Renewable Energy - Harriet B - Rowan
